We are Qualified Nurse Practitioners

Who are we?

- The Behaviour Support Service (BSS) was founded in 1991 and is part of the Integrated Learning Disability Team.
- We are all learning disability nurses and have additional specialist qualifications, skills and experience.

Who do we work with?

- We work with adults with a learning disability who live in Walsall (from age 18yrs), their families, carers, supporters and other professionals.
- We work with individuals who present with behaviour deemed as a challenge, or individuals with emotional or psychological difficulties.

What do we do?

- We provide specialist behavioural and cognitive assessments and therapeutic interventions.
- We can provide advice, support and information to the individual, families, carers and other professionals.
- Offer individual sessions.
- Provide training.

Where will this take place?

- We can make visits to wherever is best suitable. This may be to people's homes, workplaces, colleges, respite facilities, day services or schools.
