Dear Sirs

**Church Commissioners
Norton Road, Pelsall – York's Bridge Replacement Scheme**

I write on behalf of the Church Commissioners in response to your letter dated 14 June 2019.

I can confirm that the Church Commissioners position outlined in their letter dated 17 September 2013 (copy enclosed) remains unchanged. Church Commissioners still own the mineral rights but are happy for the scheme to proceed.

Yours faithfully

Samantha Davies • BSc (Hons) MRICS FAAV
