AND THE ACQUISITION OF LAND ACT 1981

1 Notice is hereby given that the Secretary of State for Transport, in exercise of his powers under the above Acts, on 16 July 2019 confirmed the Highways England Company Limited (M6 Junction 10) (Slip Roads, Special Roads) Compulsory Purchase Order 2018 submitted by Highways England Company Limited.

2 The order as confirmed provides for the purchase for the purposes of:
2.1 the construction of four Special Roads Slip Roads in pursuance of the Highways England Company Limited (M6 Junction 10) (Slip Roads, Special Roads) Scheme 2018;
2.2 the construction of a highway between the Black Country Route (A454) and Wolverhampton Road (A454) and Junction 10 of the M6 in the Metropolitan Borough of Walsall;
2.3 the improvement of the following existing highways:-
- The Black Country Route (A454);
- Wolverhampton Road (A454);

2.6 mitigating the adverse effect which the existence or use of the highways proposed to be constructed or improved will have on the surroundings thereof, of the land and the new rights described in Schedule 1 hereto.

3 A copy of the order as confirmed by the Secretary of State for Transport and of the map referred to therein have been deposited at Highways England Company Limited's offices at The Cube, 199 Wharfedale Street, Birmingham B1 1RN; and at the offices of Walsall Metropolitan Borough Council, Civic Centre, Walsall WS1 1DG and may be seen at all reasonable hours.

4 The order as confirmed becomes operative on the date on which this notice is first published. A person aggrieved by the order may, by application to the High Court within 6 weeks from that date, challenge its validity under section 23 of the Acquisition of Land Act 1981. The grounds for challenge can be that the authorisation granted by the order is not empowered to be granted or that there has been a failure to comply with any relevant statutory requirement relating to the order.

5 Once the order becomes operative, Highways England Company Limited may acquire any of the land described in Schedule 1 below by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981. A statement on the effect of Parts 2 and 3 of that Act is set out in Schedule 2 below.

6 Every person who, if a general vesting declaration were executed under section 4 of that Act in respect of the land comprised in the order (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to Highways England Company Limited at The Cube, 199 Wharfedale Street, Birmingham B1 1RN about the person's name, address and interest in land, using a prescribed form. The relevant prescribed form is set out in Schedule 3 below.

SCHEDULE 2
FORM OF STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981

Power to execute a general vesting declaration
1. Once the Highways England Company Limited (M6 Junction 10) (Slip Roads, Special Roads) Compulsory Purchase Order 2018 has become operative, Highways England (hereinafter called the acquiring authority) may acquire any of the land described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the land in the acquiring authority at the end of the period mentioned in paragraph 2 below.

2. As soon as may be after the acquiring authority execute a general vesting declaration, they must serve notice of it on every occupier of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the land in pursuance of the invitation contained in the confirmation notice of the order. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the acquiring authority together with the right to enter on the land and take possession of it. Every person on whom the acquiring authority could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The "vesting date" for any land specified in a declaration will be the first date after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the Act within that period. In such circumstances, the vesting date for the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

Modifications with respect to certain tenancies
4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or a "long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy is still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.
