

Quick Guide to

Early Years SEN Team (EYSEN)

Who is the Early Years SEN (Special Educational Needs) Team?

The Early Years SEN Team consists of three Specialist Teachers and three Senior Learning Support Practitioners who are experienced in working with children with Special Educational Needs.

We offer a wide range of support to children with Special Educational Needs from birth. Support may take place in a variety of different settings i.e. homes, assessment groups, pre-school settings, day nurseries and transitions into schools.

Alongside Team around the Child (TAC), we support Multi-Disciplinary Assessments of children under 5 years old and signpost to other partners to ensure we are meeting the needs of Early Years Children in Walsall.

The team works closely with Walsall Child Development Centre and has regular ongoing contact with support services, i.e. Speech and Language Therapists, Physiotherapists, Occupational Therapists, Paediatricians, Health Visitors and other agencies.
