

## **Walsall Town Centre Area Action Plan Schedule of Main Examination Modifications February 2018**

Walsall Town Centre Area Action Plan (AAP) is being examined by an independent Inspector, whose role is to assess whether the Plan has been prepared in accordance with the Duty to Co-operate, legal and procedural requirements and whether it is sound.

As part of the examination process the Inspector has identified a number of Main Modifications that are considered necessary to make the Plan sound.

These modifications are set out in the table below. This consultation provides the opportunity for you to make representations on these proposed modifications. A marked up version of the AAP has also been produced to show how the modifications would alter the final plan, this is available to view here: [www.walsall.gov.uk/walsall\\_town\\_centre\\_area\\_action\\_plan\\_examination](http://www.walsall.gov.uk/walsall_town_centre_area_action_plan_examination)

A number of Minor Modifications have also been produced by the Council which are available for information and can be viewed online at: [www.walsall.gov.uk/walsall\\_town\\_centre\\_area\\_action\\_plan\\_examination](http://www.walsall.gov.uk/walsall_town_centre_area_action_plan_examination). These Minor Modifications do not change the meaning or scope of a policy, but are provided for clarity.

The consultation on the Modifications runs for six weeks from **26<sup>th</sup> February – 5pm 9<sup>th</sup> April 2018**.

Representations to this consultation should be confined to the Modifications and any comments that attempt to raise or address previous issues will not be considered by the Inspector. This consultation is not an opportunity to raise matters that either were, or could have been, part of the earlier representations or hearings on the submitted plan. It is not necessary for you to repeat previous representations or comments, as the Inspector has access to your previous responses.

In order for the Inspector to formally take into account your views they must be submitted in writing and response forms are available on the website for you to complete: [www.walsall.gov.uk/walsall town centre area action plan examination](http://www.walsall.gov.uk/walsall_town_centre_area_action_plan_examination)

Representations should focus on whether you consider the proposed modifications to impact on the plan's "soundness". This raises key questions about the plans:

- **Positively prepared** – does the plan allocate enough land to meet all needs for the various uses where it is reasonable to do so and consistent with placing development in the right locations?
- **Justified** – is the plan the most appropriate strategy when considered against reasonable alternatives?
- **Effective** – can the proposals in the plan be delivered over its period? and
- **Consistent with national policy** – is the plan in accordance with national policies?

You should try to support your representation by evidence showing why the plan or plans should be changed and set out precisely how you think it should be changed to make each plan sound.

All representations on the document must be **received by the Council no later than 5pm on Monday 9th April 2018.**

New text proposed is **bold** and underlined. Deleted text is bold with ~~strikethrough~~. Text explaining the modification is in *italics*.

## AAP Appendices to the Modifications

### AAP APPENDIX 1

#### Walsall Unitary Development Plan (UDP) 2005 – Saved and Superseded Policies MM3

This table summarises the current status of the 2005 UDP policies. Some of the UDP policies that have been ‘saved’ previously will be replaced by SAD and/or AAP policies. However, some UDP saved policies will continue to be used and several are referred to in Walsall’s SAD and Town Centre AAP.

In 2007, the adopted UDP policies were reviewed by the Secretary of State. A Direction issued in December 2007 confirmed that all but four of the policies in Walsall’s UDP were to be saved. The four policies that were not saved (ENV22, ENV39, H8 and BR3) ceased to have effect from 8 March 2008.

In February 2011, Walsall Council adopted the Black Country Core Strategy (BCCS). On adoption, the Core Strategy replaced many of the UDP saved policies, including much of Part I, although the Proposals Map was not altered. The UDP policies that were replaced by new Core Strategy policies ceased to have effect from 3 February 2011.

In the table policies that are no longer effective either because they have not been saved or have been replaced by BCCS policies are struck through (e.g. ~~GP7 Community Safety~~).

On adoption the SAD and AAP will supersede a number of the UDP’s remaining saved policies, and the second column of this table identifies those that are to be replaced and by which SAD or AAP policy. A number of the UDP policies are still relevant and where this is particularly the case in respect of the SAD and AAP they have been referred to in one or both of the two plans. Where UDP Policies have been referenced in SAD or AAP policies this has been identified in the third column of the table.
