

ADOPTION STATEMENT
BLACK COUNTRY AIR QUALITY
SUPPLEMENTARY PLANNING DOCUMENT (SPD) 2016

Walsall Council adopted the Black Country Air Quality Supplementary Planning Document (SPD) by a decision of its Cabinet on 8th February 2017.

This adoption statement is required by Regulation 14 of the Town and Country Planning (Local Development) (England) Regulations 2012.

Title of Document: Black Country Air Quality Supplementary Planning Document (SPD) 2016

Subject Matter: The Black Country Air Quality SPD 2016 provides detailed guidance on Walsall Council's requirements in relation to air quality, for all those involved in the submission and determination of those planning applications where air quality needs to be addressed.

Area of Document: The SPD applies to the entire Walsall Council local authority area. As it is also adopted by the other 3 Black Country Authorities the SPD will apply across the entire Black Country area.

Availability: The Black Country Air Quality SPD 2016 is available:

- On the Council's website: www.walsall.gov.uk/ldf_supplementary_planning_documents
- During normal office hours at the Civic Centre, Darwall Street, Walsall, WS1 1EU
- At Walsall Central Library

Documentation:

Alongside the adopted Supplementary Planning Document, the following have been published on the Council's website: www.walsall.gov.uk/ldf_supplementary_planning_documents

- Adoption Statement
- Consultation Statement - Statement of Main Issues Raised through Public Consultation

Any person aggrieved by the decision to adopt the SPD may make an application to the High Court for permission to apply for judicial review of the decision. Any such application must be made promptly and in any event not later than 3 months after the date on which the supplementary planning document was adopted.
