Class descriptions

Aqua Circuits*	Aqua circuits are like land-based circuits classes but the exercises are completed in water. There are stations around the pool, each with a different exercise. The added resistance of the water makes for a great workout, with lower impact to the muscle groups.
Tabata**	Features 20 second intervals of extreme exercise followed by 10 second intervals of rest. These high intensity workouts will burn calories like no tomorrow.
Body Blitz**	Anything goes. Total body workout that combines various disciplines.
Circuits**	Body conditioning or resistance training using high intensity aerobics. A series of exercises performed with a small rest between them.
Abs*	An upbeat strength class where we target our core with great music to go along with.
L, B & T**	Legs, Bums and Tums. A body conditioning workout focusing on the lower body and core.
Yoga**	Ancient form of exercise that focuses on strength, flexibility and breathing to boost physical and mental wellbeing.
Pilates**	Slow and controlled stretching motions, it puts emphasis on alignment, breathing and developing a strong core and improving coordination and balance.
Zumba (7 yrs+)	Aerobic fitness featuring movements inspired by various styles of Latin American dance.
Boot Camp**	Military style exercises and functional movements like push ups, squats, sprints and sit ups. These programmes are designed to build strength and fitness.
Old Skool Step**	A class involving just you and your step box, doing various routines improving your cardio endurance.
Kettlebell**	Kettlebell exercises build strength and endurance, particularly in the lower back, legs, shoulders and increases grip strength.
Boxfit*	A form of exercise based on boxing training and using boxing equipment. This is a high intensity class working on the members level of fitness.
Acti-kids	Group kids class! All forms of exercises are performed to get the heart racing and have fun. This class is suitable for ages 8 to 15 years.
Pump it up**	For anyone looking to get lean, toned and fit. This gives a total body workout, that will burn up to 540 calories.
Aquafit*	This low-impact class is performed in water and will incorporate cardio and strength, using water dumbbells and other flotation aids.
Floatfit Hiit*	A demanding and energetic full body Hiit workout on a floatation board in the pool, suitable for all fitness levels.
Floatfit Balance*	A yoga and pilates inspired program on water designed to centre your mind and to challenge your balance.
