CONDITIONS OF AGREEMENT – PLEASE RETAIN FOR FUTURE REFERENCE

1. Walsall Council is required by legislation to charge for the removal and disposal of commercial waste.
2. This agreement will remain in force and the applicant shall continue to remain liable for all applicable charges until such time as the applicant informs Walsall Council of the intention to terminate this agreement, in writing, giving at least one month's notice.
3. Walsall Council is under no obligation to remove or dispose of commercial waste/commercial recyclable waste and reserves the right to refuse to collect or receive any commercial waste/recycling at its absolute discretion. In particular, commercial waste/recycling will not be collected in the following circumstances:
 - where bins are not accessible between 6.30am and 16.30pm on the day of collection and/or cannot be emptied safely;
 - where lids on wheeled bins are not fully closed;
 - where contaminated recycling cannot be recycled.

Should an attempted collection by Walsall Council fail owing to the above circumstances the Council will be deemed to have fulfilled its obligation and a refund will not be issued. An additional charge may be payable by the applicant where attempted collections fail and result in further attempts having to be repeated.

4. Application for the collection of commercial waste/commercial recycling must be made on this form, which must be completed in full and dated and signed (in the case of a company or business organisation by an authorised person who should indicate his or her position within the company or business organisation). You should keep a copy.
5. Any equipment supplied by Walsall Council shall at all times remain the property of Walsall Council.
6. The applicant shall at all times ensure that any such equipment supplied by Walsall Council is not over loaded and shall ensure that it does not contain any harmful or toxic substances or hazardous waste.
7. The applicant shall at all times while any equipment is under the applicant's care and control be responsible for the siting of the equipment and for any injury, loss or damage caused to any property or person howsoever caused.
8. Invoices are raised on a half yearly basis in advance of the collection period with payment by monthly Direct Debit. Collections will be suspended if a monthly direct debit payment fails. To reinstate the collection service Walsall Council reserves the right to charge an administration fee of £25.00 payable before collections restart. For any in year charges a minimum invoice charge of £20.00 applies.
9. Walsall Council will not in any circumstances arrange to remove a greater capacity of waste or recycling in excess of that requested by the applicant in this agreement unless a request is made by the applicant for an additional collection. Additional charges will be payable in advance of any additional collection being made.
10. See website [Business waste](#) for current charges (reviewed in April) and notification of any changes to Bank Holiday collections.
11. The applicant shall in addition to any notice to terminate this agreement also give Walsall Council one week's written notice of the following changes:
 - any change in the address, telephone number or e-mail address of the applicant, or in the case of a company or limited liability partnership, any change of address of the Registered Office
 - any change in the ownership or control of the business

- any other material circumstances which may affect the liability of the applicant under this agreement.
12. The applicant must complete and return an annual Duty of Care Controlled Waste Transfer Note. Failure to complete an annual Waste Transfer Note will result in cessation of collections and an administration fee of £25.00 made to restart collections.
13. Council staff have the right to work in a safe environment without fear of intimidation, abuse or assault.
