The Post holder will be required to communicate verbally with customers and provide advice and/or information in accurate spoken English.</p>		

1. Main purpose of the job role:

Principal day to day functions and areas of direct responsibility for this post will be working within the operational department.

In accordance with the Clean & Green Service this post will be assigned for undertaking one or more of the primary functions detailed below. Generic role with post holder required to work across all disciplines within the service as service demands.

Operational services including but not limited to:

- **Grounds maintenance operational services** e.g. grass maintenance, border maintenance, fine turf maintenance, sports pitch provision, hedge maintenance, seasonal bedding, arboriculture (tree works), burials & cemetery operations
- **Domestic household door to door collections** and associated functions e.g. bin delivery, removal of bagged waste, assisted collections (domestic refuse, recycling & garden waste)
- **Commercial waste & recycling collection services.**
- **Street cleansing operational services** e.g. litter picking, graffiti removal, fly tipping, site clearance and tidy up works, bulky item collections, mechanical sweeping operations

2. Role specific duties and accountabilities:

- Day to day delivery of operational, front line services including grounds maintenance operations, arboricultural/tree works, street cleansing, waste and recycling. (refer to Table 1)
- Required to undertake daily planning of works including route order, round scheduling, in order to optimise efficiency and ensure daily allocation of work is completed within the scheduled time period and ensure resources are deployed effectively on site to optimise outputs and quality standards
- To operate associated equipment as part of the day-to-day service functions including, reversing cameras, weight load indicator equipment, vehicle controls, emergency stop equipment, hoists, tail lifts, trailed equipment, round recording systems.
- To utilise similar related hand tools/equipment including litter pickers, brushes, wheeled bins, machinery, strimmers, mowers, hedge cutters etc.
- Driving a range of vehicles up to a combined MAM of 7.5 tonne (C1 category)

Training and Development

- To operate in accordance with corporate performance management and staff development processes such as individual performance management / employee performance appraisals/conversations and the Management Competency Frameworks and associated initiatives
- The postholder is responsible for his/her own self development on a continuous basis and for developing and maintaining a substantial body of up-to-date knowledge of the specialist area and a detailed generalist knowledge across a wide spectrum of related fields, and as such will be expected to undertake suitable development and training.
- To enhance own performance, working constructively with the line manager to identify personal strengths and agreeing action in relation to development needs

Customer Focus

- To ensure services are responsive, high quality and customer focused and are delivered at an economic rate that represents Best Value.
- To ensure effective liaison and foster good working relationships with all current and potential internal and external service providers/users i.e. contact centre/public/elected members, user groups, voluntary sector, anti-social behavioural unit, emergency services etc.
- Maintain customer satisfaction and ensuring enquiries and complaints are dealt with in a polite, timely and effective manner through communication channels such as Customer Relations Management Systems and correspondence management systems, telephone enquiries, letters, e-mails and face to face communication.
- To be part of a customer focused team, working towards better outcomes, complaints and enquiry handling at the first point of contact, know your customers and what they expect from the service, and have a wider responsibility for organisational and individual community and environmental outcomes

- Deal patiently with demanding customers and take personal responsibility for resolving customer concerns at the first point of contact in the absence of the Team Leader and/or at a basic level.
- Ability to provide service information and communications to residents in relation to service changes, contact details for enquiries, complaints handling.

Health & Safety

- Informing the policy-makers what resources are needed to meet their teams obligations for health and safety matters, including providing equipment, clothing and training;
- Supporting the policy-makers in promoting our health and safety management system;
- To ensure accidents, incidents and violent incidents (including near misses) are reported, recorded to assist in ensuring effective controls are implemented to minimise or eliminate risk.
- Protective clothing/uniform to be worn at all times to promote a positive image of the Service Area and comply with Health & Safety regulations.
- Take reasonable care for their health and safety and that of other people who may be affected by what they do (or neglect to do) while at work;
- Not intentionally or recklessly interfere with, or misuse, anything provided in the interests of health, safety and welfare (for example, protective clothing, first-aid equipment and machinery guards);
- Always follow relevant procedures to avoid health and safety risks, and consult their line manager on any areas of concern. Including operating in accordance with reversing assistant procedures, manual handling, depot safety rules and procedures
- Maintain tools and equipment and vehicles in good condition and report any risk or problem to their line manager (employees must use equipment or materials for their proper purpose only);
- Behave appropriately at all times in the workplace;
- Help fully in the reporting and investigating of any accident, near miss, dangerous event or incident of violence;
- To work in accordance with industry related policies and procedures

Administrative Systems:

- To maintain appropriate records including but not limited to: timesheets, leave requests, tachographs job sheets/tickets, customer calling cards, accident reporting and recording, defect reporting and recording, vehicle/machinery maintenance sheets, self-certificates, incident reports, electronic recording systems, work tickets, amongst others.
- To operate in accordance with data management systems such as Mayrise, Ezytreev, Fleetwave or any other adopted systems deployed by the council in the delivery of the service.
