LES MILLS

Class descriptions

Les Mills Body Combat**	The ultimate warrior workout to develop co-ordination and release stress. Destroy calories as you learn to punch, kick, block and strike. Get a whole body workout that targets every muscle group.
Les Mills Body Pump**	This full-body barbell workout will burn calories, shape and tone your entire body, increase core strength and improve bone health.
Les Mills Core**	Based on athletic training principles, this core training workout is designed to make you stronger and assist with balance and injury prevention.
Les mills SHAPES**	An invigorating blend of Pilates, barre, and power yoga set to modern beats. With small, controlled movements, you sculpt and strengthen all major muscle groups, improve alignment and increase flexibility. It's a low impact but intense way to heat up your training.
Les Mills Body Attack*	Is a virtual whole body workout that burns calories while toning and shaping. You'll build stamina and our sports-inspired moves will improve your coordination and agility. Get quicker off the mark in everything you do.
Les Mills Sh'Bam*	Is a fresh and fun dance workout that builds fitness and encourages expressive movement.
Les Mills GRIT**	Is a virtual 30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups.
Les Mills Bodybalance**	Is a modern take on yoga with elements of Tai Chi and Pilates, set to music. This strength and flexibility workout has been scientifically designed to help fitness club members build strength, flexibility and a beautiful sense of balance.
Les mills Cycle RPM*	Is a virtual group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 500 calories a session.
Les Mills Cycle Sprint**	Is a virtual 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits.
Les Mills Cycle Trip*	Is a fully immersive workout experience that combines a 40-minute multi-peak cycling workout with a journey through digitally-created worlds. With its cinema-scale screen and sound system, THE TRIP takes motivation and energy output to the next level, burning serious calories.
Les Mills BORN TO MOVE	Virtual helps children experience the joy and vitality of moving to music. Each session feeds young people's natural appetite for action, movement and play – and lets them enjoy the energy, confidence, good health and increased ability that goes with it.
Yin Yoga**	A slow, meditative class, that gently stretches the deeper muscles, joints in your body and helps quieten the mind
Circuits**	Body conditioning or resistance training using high intensity aerobics. A series of exercises performed with a small rest between them.
Stretch*	Helping you to stretch your entire body and improving your core strength. Classes are suitable for all.
Pilates**	Slow and controlled stretching motions, it puts emphasis on alignment, breathing and developing a strong core and improving coordination and balance.
50+	A mix of aerobics and body conditioning exercises for people over 50 years.
Yoga**	Ancient form of exercise for strength, flexibility and breathing to boost physical and mental wellbeing.
LB&T**	Leg, Bums and Tums. A body conditioning workout focusing on the lower body and core.
